Echidna Chasm

Bungle Bungle Wanderer + Echidna Chasm

TOUR CODE G

Experience the East Kimberley & Purnululu National Park by air before landing to join a guided walking tour into the Domes, Cathedral Gorge and Echidna Chasm!

Tour highlights:

Take a scenic flight over the stunning Bungle Bungle Range, Lake Argyle, and the Ord River Irrigation Area. You'll also fly over the Carr Boyd and Osmand Ranges.

Upon landing in Purnululu National Park, your guide will meet and transfer you in an air-conditioned 4WD bus to the beginning of the walk. From here, enjoy a guided walk through the Bungle Bungle Range, renowned for its eroded towers and striking beehive domes.

Continue on to Cathedral Gorge, where towering cliffs create incredible natural acoustics.

You'll then drive to the northern end of the park, where you'll embark on a 1.5-hour return walk into Echidna Chasm, a narrow path weaving between towering cliffs and Livistona palms, with walls that glow in the sunlight.

Conclude your tour with a return flight to Kununurra, passing over the historic Argyle Diamond Mine, famous for its rare pink diamonds.

Morning tea, lunch and afternoon tea included.

Note: A good level of mobility is required for the 5km moderate-hard walk. It includes walking over rocks, walking around boulders and climbing small ladders with handrails. It is a full and immersive day of exploring.

About the Company

Locally Owned and Managed
by Michael & Kate McConachy

With over 40 years of operation, we at Aviair are proud to offer even more reasons to choose us for your Kimberley scenic air tour.

Nothing is more important to us than the safety of our passengers, crew, and the dedicated team who help us deliver an award-winning service.

Aviair is a CASA-approved commercial airline operating to the highest safety and maintenance standards – rest assured, you're in safe hands.

With key bases in Kununurra, Broome, and Karratha, we've invested heavily in maintaining one of Australia's youngest and best-presented fleets in the north-west.

All of our aircraft are air-conditioned, with large windows and high wings to offer the best scenic views. Our skilled pilots provide informative commentary as you fly over some of the world's most breathtaking landscapes.

Aviair's planes are designed with a central aisle, providing easy access, as well as greater headroom and legroom than other scenic flight options in the Kimberley. Our goal is to leave you with memories of a lifetime.

Alongside our award-winning scenic air tours, we operate a robust charter flight service, serving corporate and private clients across Australia's north-west. We also operate a regional airline, connecting major centers and remote towns across the Kimberley and Pilbara regions. Our aircraft maintenance support team is proudly based here in Kununurra.

“Wow factor 10 out of 10”
‘Exceptional Wow factor. Very well organised tour. Flight showed a variety of scenery and made sure everyone saw the sights from both sides of the planes. Great pilot and tour guide. Experienced and knowledgeable. The Bungle Bungle – you just have to see it live – pictures don’t do it justice. Just do it.’
